Tip #100

The Final Milestone

One hundred days!

One shared commitment to safety!

Our Safety Companion

www.linkedin.com/groups/14358552/

Safety Starts with Simple Habits

Small daily actions prevent serious harm.

Safety begins at home, at work, and in routine choices.

Our Safety Companion

People Build Safety Culture

**Safety culture is built
by people, not policies.
Every role matters.**

Our Safety Companion

www.linkedin.com/groups/14358552/

Strong Systems Prevent Disasters

**Structure, standards, and
discipline protect before
incidents occur.**

Our Safety Companion

www.linkedin.com/groups/14358552/

Learning Strengthens Safety

**Data, training, and technology
turn experience into prevention.**

Our Safety Companion

The Human Element

Fatigue, stress, rushing, and distraction shape safety decisions.

Our Safety Companion

Leadership Sets the Tone

Speaking up, listening, and consistency turn values into action.

Our Safety Companion

From Awareness to Action

Daily tools turn knowledge into safer behavior.

Safety Continues

**Safety does not end at Tip 100.
It continues with daily choices
and shared responsibility.**
